The Van Gardens

HIGHLY COMMENDED GLADIOLUS

C. C. VAN VOORHIS and R. E. WHEELER

SPRING 1948

Kingston

New Jersey

DEAR FRIENDS:

Paper is still scarce so we are continuing our condensed catalog. Additional information about any variety will be given gladly to anyone asking for it.

The numbers in the "class" column are the classifications of the N.A.G.C.C. system where the hundreds figures designate size of florets (1 being under $2\frac{1}{2}$ inches; 2, between $2\frac{1}{2}$ and $3\frac{1}{4}$ inches; 3, $3\frac{1}{4}$ to $4\frac{3}{8}$ inches; 4, $4\frac{1}{2}$ to $5\frac{3}{8}$ inches; and 5, over $5\frac{3}{8}$ inches) and the other two figures indicate the colors. Where the classifications differ from the committee's 1947 list, we believe the variety was not correctly classified.

Prices given are for one bulb, 5 bulbs will be supplied at 4 times, and 25 bulbs at 17 times the unit price. 10 bulblets for the price of a large bulb and 100 at 7 times. Postage paid on prepaid orders over \$2.00. 5% discount on orders of \$5.00 to \$10.00; 10% discount on orders over \$10.00. No labeled single item less than 15 cents except in collections. Bulblet orders not accepted after March 20th.

OUR ORIGINATIONS

5 bulbs at 4 times and 25 bulbs at 17 times the unit price.

10 bulblets for the price of a large bulb and 100 for 7 times this price.

No labeled single items less than 15c.

SMALL FLOWERED VARIETIES
